

Parent Acknowledgement Form

By signing below we (both parent and student) acknowledge the following:

We have read the Trip Manual.

We understand the rules and have discussed the importance of obeying all rules.

We realize that these rules exist in order to create a respectful, safe, fun environment for everyone on the trip.

We will respect the staff and other students/parents on the trip by obeying these rules.

We have gone over the packing list.

We understand what to pack and what not to pack.

We want all trip goers to have a great trip and realize that in order for that to happen everyone needs to obey rules, be on time, have a good attitude, and be respectful of each other.

Finally, we understand that breaking a rule will have a consequence. One of these consequences may be removal from the trip. Removal from the trip may include a bus or plane ride home at our expense (the expense of the parent).
