

New Changes to Scrip Program

1. Meijer cards are now available. They come in \$25 and \$100 denominations.
2. The percentages for each scrip card have changed slightly. Please note this information from the glscrip company:

The price charged for gift cards and certificates from Great Lakes Scrip Center to Ohio customers includes an amount sufficient to recover Ohio's New "Commercial Activity Tax" (CAT) imposed on business from outside the state of Ohio. The CAT is imposed on GLSC for each sale it makes in Ohio at a rate of \$0.26 per \$100 in gross sales. The amount included in the price is an estimate of the total tax cost to Great Lakes Scrip Center.

You will notice on the new form that is available in the band website (vanwertbands.org) that percentages are not rounded off anymore. Please calculate the correct percentage for each order. Thanks.
